Dear Honorable court's to whom this may concern, I understand that you have a busy schedule, But if possible, I Victor Manuel Ortiz, Ask you to take me into consideration and take the time to read and look into what I am addressing to you on this Letter. I was arrested on June/20/17, And shortly after I had a U.S. Marshal hold on me, till this day I still have the U.S. Marshal hold, I would like to know in a professional manner, what is going to happen with my supervised release, Since I have been incarcerated for all this time with a U.S. Marshal hold. And still have not been to any arraignment in this matter. This is a very frustrating situation I have gone through trying to get this matter to your attention, And still I do not get no type of reply in this matter, Can you please Answer me back in a professional time limit standard on what I am Addressing to you on this Letter. I am taking the proper steps. Thank you and may God bless you all.

Respectfully x Victor Ortiz

What Are the proper procedure's for me to find out why I have been having a U.S. Marshal hold and still have not been to no type of arraignment or stood in front of no federal judge. please Help me in this matter.
